GENERAL ENGLISH
ELEMENTARY
CRICOS Code: 086131M

The aim of the General English Program, which is student-centred and outcome-based, is to equip the students with the skills and knowledge required to perform competently in their further studies and to develop their confidence in communicating in English in an English-speaking country.

The Program is structured in a planned and sequential manner that builds on English levels of individuals throughout each of the program levels. The SCEI General English Program has five program levels:

- Beginner
- Elementary
- Pre-Intermediate
- Intermediate
- Upper Intermediate

Each of the program levels has been designed as a stand-alone program with clear entry and exit points. Students will be assessed upon application to determine their existing English language proficiency. This will determine which program level they will be enrolled in. Upon successful completion of the program level they are enrolled in the student may exit at that point or continue their General English studies by enrolling in the next program level.
