

## PP86 LANGUAGE, LITERACY AND NUMERACY POLICY AND PROCEDURE

### PURPOSE

Southern Cross Education Institute (SCEI) is committed to ensuring successful student outcomes by only enrolling students who have the capacity to fulfil the requirements to complete the qualification in which they have enrolled. SCEI understands the importance of skills in English Language, Literacy and Numeracy (LLN) and recognises that many adults do not have the LLN skills they need to effectively participate in training and workplace communication.

The purpose of this policy and procedure is to ensure that SCEI trainers and managers can identify LLN skill levels and assist students with LLN skill needs, in order to provide them with as much opportunity as possible to complete their learning and assessment requirements, when attending SCEI courses.
